22. An approved authorization does not guarantee payment. Reimbursement is contingent upon eligibility of the recipient and provider at the time the service is provided and the completeness of the claim information. Payment will not be made for services initiated prior to approval or after authorization expiration date. Reimbursement will be in accordance with Wisconsin Medical Assistance Program payment methodology and Policy. If the recipient is enrolled in a Medical Assistance HMO at the time a prior authorized service is provided, WMAP reimbursement will be allowed only if the service is not covered by the HMO.
